**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON SEPTEMBER 14, 2010**

This proxy statement (the "Proxy Statement") is being furnished to stockholders (the "Stockholders") in connection with the solicitation of proxies by the Board of Directors of Rick's Cabaret International, Inc., a Texas corporation (the "Company") for their use at the Annual Meeting (the "Annual Meeting") of Stockholders of the Company to be held at 410 N. Sam Houston Parkway (Beltway 8 at Imperial Valley, "Rick's North"), Houston, Texas 77060, on Tuesday, September 14, 2010 at 10:00 AM (CST), and at any adjournments thereof, for the purpose of considering and voting upon the matters set forth in the accompanying Notice of Annual Meeting of Stockholders.

We have elected to furnish proxy materials and our Fiscal 2009 Annual Report on Form 10-K ("Annual Report") to many of our stockholders over the Internet pursuant to new Securities and Exchange Commission rules, which should allow us to reduce costs. On or about July 28, 2010, we began mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our Proxy Statement and Annual Report and how to vote online. All stockholders who have previously expressed a specific request to receive paper copies of proxy materials will receive a copy of the Proxy Statement and Annual Report by mail beginning on or about July 28, 2010. The Notice also contains instructions on how you can elect to receive a printed copy of the Proxy Statement and Annual Report, if you only received a Notice by mail. **The proxy statement, annual report to security holders for the year ended September 30, 2009 and the proxy card are available at www.proxyvote.com.** The cost of solicitation of proxies is being borne by the Company.

The close of business on July 22, 2010 has been fixed as the record date for the determination of Stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. As of July 22, 2010, there were 10,200,270 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock on the record date is necessary to constitute a quorum at the Annual Meeting. Each share is entitled to one vote on all issues requiring a Stockholder vote at the Annual Meeting. Each nominee for Director named in Proposal Number 1 must receive a majority of the votes cast in person or by proxy in order to be elected. Stockholders may not cumulate their votes for the election of Directors. The affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required for the ratification of Number 2 set forth in the accompanying Notice.

All shares represented by properly executed proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted (i) **FOR THE ELECTION OF THE NOMINEES NAMED HEREIN** and (ii) **FOR THE RATIFICATION OF WHITLEY PENN LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2010**. The Board of Directors is not aware of any other matters to be presented for action at the Annual Meeting. However, if any other matter is properly

presented at the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matters.

Under the rules of the New York Stock Exchange ("NYSE"), brokers who hold shares in "street name" for customers are precluded from exercising voting discretion with respect to the approval of non-routine matters (so called "broker non-votes") where the beneficial owner has not given voting instructions. Effective July 1, 2009, the NYSE amended its rule regarding discretionary voting by brokers on uncontested elections of directors such that any investor who does not instruct the investor's broker on how to vote in an election of directors will cause the broker to be unable to vote that investor's shares on an election of directors. Previously, the broker could exercise its own discretion in determining how to vote the investor's shares even when the investor did not instruct the broker on how to vote. Accordingly, with respect to the election of Directors (see Proposal Number 1), a broker is not entitled to vote the shares of Company common stock unless the beneficial owner has given instructions. With respect to the ratification of the appointment of Whitley Penn LLP as the Company's independent registered public accounting firm (see Proposal Number 2), a broker will have discretionary authority to vote the shares of Company common stock if the beneficial owner has not given instructions.

The enclosed Proxy, even though executed and returned, may be revoked at any time prior to the voting of the Proxy (a) by execution and submission of a revised proxy, (b) by written notice to the Secretary of the Company, or (c) by voting in person at the Annual Meeting.

PROPOSAL 1

NOMINEES FOR DIRECTORS

Unless otherwise instructed or unless authority to vote is withheld, the enclosed Proxy will be voted for the election of the nominees listed below. Each duly elected Director will hold office until his successor shall have been elected and qualified. Although the Board of Directors of the Company does not contemplate that any of the nominees will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed Proxy will vote for the election of such other person(s) as may be nominated by the Board of Directors.

RELATED TRANSACTIONS

Our Board of Directors has adopted a policy that our business affairs will be conducted in all respects by standards applicable to publicly held corporations and that we will not enter into any future transactions and/or loans between us and our officers, directors and 5% stockholders unless the terms are no less favorable than could be obtained from independent, third parties and will be approved by a majority of our independent and disinterested directors. Since the beginning of our last fiscal year, we have not had any related transactions.

INFORMATION CONCERNING THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors held four (4) meetings during the fiscal year ended September 30, 2009, and took action by unanimous written consent three (3) times. There is no family relationship between or among any of the directors and executive officers of the Company. All of our Directors attended at least 75% of our Board meetings. We have four Directors who meet the definition of “independent director” under the Nasdaq Marketplace rules.

Eric Langan serves as both Chairman of the Board of Directors and Chief Executive Officer of the Company. Of our four independent Directors, no Director has been designated “lead” independent Director. Accordingly, all four independent Directors have an equal role in the leadership of the Board. The Company believes that its overall leadership structure is appropriate based on its current size.

As a part of its oversight function, the Board of Directors monitors how management operates the Company. Risk is an important part of deliberations at the Board and committee level throughout the year. Committees consider risks associated with their particular areas of responsibility. The Board of Directors as a whole considers risks affecting the Company. To that end, the Board conducts periodic reviews of corporate risk management policies and procedures. The Board and its committees consider, among other things, the relevant risks to the Company when granting authority to management and approving business strategies. Through this risk oversight process, the Board reserves the right to make changes to the Company's leadership structure in the future if it deems such changes are appropriate and in the best interest of the Company's stockholders.

AUDIT COMMITTEE

The Company has an Audit Committee whose members are Steven Jenkins, Alan Bergstrom and Luke Lirot. Mr. Jenkins, Mr. Bergstrom and Mr. Lirot are independent Directors. The primary purpose of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. The Audit Committee meets privately with our Chief Financial Officer and with our independent registered public accounting firm and evaluates the responses by the Chief Financial Officer both to the facts presented and to the judgments made by our outside independent registered public accounting firm. Our Audit Committee has reviewed and discussed our audited financial statements for the year ended September 30, 2009 with our management. Steven L. Jenkins serves as the Audit Committee's Financial Expert.

In May 2000, our Board adopted a Charter for the Audit Committee. A copy of the Audit Committee Charter can be found on our website at "Ricks.com". The Charter establishes the independence of our Audit Committee and sets forth the scope of the Audit Committee's duties. The Purpose of the Audit Committee is to conduct continuing oversight of our financial affairs. The Audit Committee conducts an ongoing review of our financial reports and other financial information prior to their being filed with the Securities and Exchange Commission, or otherwise provided to the public. The Audit Committee also reviews our systems, methods and procedures of internal controls in the areas of: financial reporting, audits, treasury operations, corporate finance, managerial, financial and SEC accounting, compliance with law, and ethical conduct. A majority of the members of the Audit Committee will be independent. The Audit Committee is objective, and reviews and assesses the work of our independent registered public accounting firm and our internal audit department.

The Audit Committee reviewed and discussed the matters required by SAS 61 and our audited financial statements for the fiscal year ended September 30, 2009 with management and our independent registered public accounting firm. The Audit Committee has received the written disclosures and the letter from our independent registered public accounting firm required by Independence Standards Board No. 1, and the Audit Committee has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence. The Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the fiscal year September 30, 2009 be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2009.

The Audit Committee held four (4) meetings during the fiscal year ended September 30, 2009. All of our Audit Committee members attended at least 75% of our Audit Committee meetings.

NOMINATING COMMITTEE

The Company has a Nominating Committee whose members are Steven Jenkins, Alan Bergstrom and Luke Lirot. In July 2004, the Board unanimously adopted a Charter with regard to the process to be used for identifying and evaluating nominees for director. The Charter establishes the independence of our Nominating Committee and sets forth the scope of the Nominating Committee's duties. A majority of the members of the Nominating Committee will be independent. Pursuant to its Charter, the Committee has the power and authority to consider board nominees and proposals submitted by the Company's stockholders and to establish any procedures, including procedures to facilitate stockholder communication with the Board of Directors, and to make any such disclosures required by applicable law in the course of exercising such authority. Stockholders who wish to submit a proposal for consideration by the Nominating Committee must comply with Rule 14a-8 of Regulation 14A. All candidates, whether proposed by a stockholder or by any other means, shall be evaluated based on the criteria established by the Board of Directors. Minimum criteria for non-employee candidates includes "independence" as defined under applicable rules promulgated by the Securities and Exchange Commission pursuant to the Sarbanes-Oxley Act of 2002 and Nasdaq Listing Rules and financial experience. Additional criteria may include: (a) satisfactory results of any background investigation; (b) experience and expertise; (c) financial resources; (d) time availability; (e) community involvement; (f) diversity of viewpoints, backgrounds, experiences and other demographics, and (g) such other criteria as the Nominating Committee may determine to be relevant. A copy of the Nominating Committee's Charter can be found on the Company's website at www.Ricks.com. The Nominating Committee held one (1) meeting during the fiscal year ended September 30, 2009. All of our Nominating Committee members attended 100% of our Nominating Committee meetings.

COMPENSATION COMMITTEE

The Company has a Compensation Committee whose members are Steven Jenkins, Alan Bergstrom and Luke Lirot. Decisions concerning executive officer compensation for the fiscal year ending September 30, 2009 were made by the full Board of Directors. Eric S. Langan and Travis Reese are the only directors of the Company who are also officers of the Company. The primary purpose of the Compensation Committee is to evaluate and review the compensation of executive officers. The Compensation Committee does not have a written charter. The Compensation Committee held one (1) meeting during the fiscal year ended September 30, 2009. All of our Compensation Committee members attended at least 75% of our Compensation Committee meetings.

Stockholder Communications

We do not currently have a process for security holders to send communications to the Board of Directors, which we believe is appropriate based on our size, the limited number of our stockholders and the limited number of communications which we receive. However, we welcome comments and questions from our stockholders. Stockholders can direct communications to our Chief Executive Officer, Eric Langan at our executive offices, 10959 Cutten Road, Houston, Texas 77066. While we appreciate all comments from stockholders, we may not be able to individually respond to all communications. We attempt to address stockholder questions and concerns in our press releases and documents filed with the SEC so that all stockholders have access to information about the Company at the same time. Mr. Langan collects and evaluates all stockholder communications. If the communication is directed to the Board of Directors generally or to a specific director, Mr. Langan will disseminate the communications to the appropriate party at the next scheduled Board of Directors meeting. If the communication requires a more urgent response, Mr. Langan will direct that

communication to the appropriate executive officer or director. All communications addressed to our directors and executive officers will be reviewed by those parties unless the communication is clearly frivolous.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own beneficially more than ten percent of our common stock, to file reports of ownership and changes of ownership with the Securities and Exchange Commission. Based solely on the reports we have received and on written representations from certain reporting persons, we believe that the directors, executive officers, and greater than ten percent beneficial owners have complied with all applicable filing requirements, with the exception of one filing by the Estate of Ralph McElroy.

EMPLOYEE STOCK OPTION PLANS

While we have been successful in attracting and retaining qualified personnel, we believe that our future success will depend in part on our continued ability to attract and retain qualified personnel. We pay wages and salaries that we believe are competitive. We also believe that equity ownership is an important factor in our ability to attract and retain skilled personnel. We have adopted stock option plans (the "Plans") for employees and directors. The purpose of the Plans is to further the interests of the Company, our subsidiaries and our stockholders by providing incentives in the form of stock options to key employees and directors who contribute materially to our success and profitability. The

grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in us, thus enhancing their personal interest in our continued success and progress. The Plans also assist us and our subsidiaries in attracting and retaining key employees and directors. The Plans are administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plans, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the common stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plans.

In August 1999, we adopted the 1999 Stock Option Plan (the “1999 Plan”) with 500,000 shares authorized to be granted and sold under the 1999 Plan. In August 2004, stockholders approved an amendment to the 1999 Plan which increased the total number of shares authorized to 1,000,000. In July 2007, stockholders approved an additional amendment to the 1999 Plan, which increased the total number of shares authorized to 1,500,000. Letter to Shareholders of Rick's Cabaret International, Inc.

From: Eric Langan
Chief Executive Officer

Subject: Fiscal 2009 Results

Dear Fellow Shareholder:

Our fiscal year ending September 30, 2009 was another year of growth for Rick's Cabaret International. Our revenues were \$75.2 million compared to \$57.9 million in fiscal 2008, an increase of 29.8 percent. This increase was generated both at new and existing clubs, especially from our club in midtown Manhattan, which was selected by *Playboy* as the #1 club in the city.

Our net income for the full fiscal year was \$5.2 million compared to \$7.7 million for the previous year, and this translated to net earnings of 55 cents per diluted share, compared with 91 cents in the previous year. The primary reasons for the lower-than-anticipated earnings were the poor U. S. economy and abnormally high marketing costs at Rick's Cabaret in Las Vegas.

Throughout most of 2009 we felt it was imperative to make sure our clubs were performing to their maximum potential, given the general state of the economy. We did so by fine-tuning our pricing, marketing and, in some cases, changing club formats. The emphasis on marketing kept customers coming through the door, which was essential, but profits were impacted. So in 2010 we have shifted our focus somewhat from top-line growth to strengthening our bottom line.

As we concentrated on the basics of operating our business we slowed the pace of acquisitions from previous years. During fiscal 2009, we acquired one nightclub operation – Cabaret North in Ft. Worth -- for \$2,385,000. The closing occurred on September 30, 2009 and therefore the club had no impact on our fiscal year results. The acquisition brought to four the number clubs in the Dallas-Ft. Worth market that are part of the Company's group, and since that time we have added two other clubs. We will acquire an additional club in this region with a purchase that will give us a cabaret adjacent to D/FW International Airport when opened later this year.

Our success depends on the contributions of our dedicated employees and talented entertainers. We come to work each day with one goal – making sure that our customers receive the finest gentlemen's club experience anywhere in the country. As we consistently achieve this goal, we all succeed.

Please do not hesitate to contact me with any questions by emailing me at ir@ricks.com. I will get back to you promptly.

Thank you.
